

Campus Club Child Care 2021-2022 school year

We are planning our before and after school child care program, Campus Club, for the upcoming school year. We are interested in new families that would like to be considered for enrollment in Campus Club starting August 2021, depending on space availability. If you may be interested in enrolling your child please complete the online form using the link below. Campus Club is a fee-based child care program available to students of Lakewood Elementary. For more information see the link below or call our office: MCS/Intervention Programs 209-574-1608
